The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strength-ening properties of good old fashioned roots and herbs, which act on the fe-male organism. Women from all parts of the country are continually testifying to its strengthening, cura-tive influence, and as it contains no narcotics or harmful drugs it is a safe

medicine for women.

"An account I read about 'Fruits-tives' or Fruit Liver Tablets in one of our newspapers prompted me to try this remedy.

It was two years ago that I was in this condition and began the use of 'Fruit-a-tives'. Even though the trouble had been of a few years standing, the use of 'Fruit-a-tives' proved the very remedy I required. I was freed of the Indigestion, which I attributed to my heart; and I can conscientiously recommend 'Fruita-tives' as a remedy of merit".
